

Newark Teachers Association

All Newark Students Deserve the Best. How will your decision today support our students?

~ March 2022 Newsletter ~

Current Events

HVAC Issues -

If you are having issues with your HVAC in your classroom/work location, **please email John Rodriguez and cc Tina Cordova, Olivia Rangel & NTANewark@gmail.com with details as to how your thermostat is not functioning.** Creating a work order and communicating the problem in detail must be the first step. It is imperative to have communication documented in writing and to provide the district with reasonable time to address the problem.

Phone Issues -

If you are having issues with your classroom/office telephone, please let your site rep know. Site reps will gather the information to present to administration. Here is the list of site reps: <https://www.ntanewark.org/site-representatives.html>

Wear Red on Thursdays -

Thank you to those who wore red during the past two Thursdays. Please continue to wear Red on Thursdays for the remainder of the school year. The Newark Junior High Certificated and Classified staff have provided the district and board members with a Vote of No Confidence for their Principal. **Support our fellow NUSD NTA and CSEA members by wearing red every Thursday.**

NTA Executive Board Election -

As of 3/28/22, NTA members received an online ballot via your personal email to **vote for the 2022-23 NTA executive cabinet positions. Please vote!**

NTA Masks -

Although it is no longer mandated to wear masks on campus, if you would like a replacement NTA mask, please see Emery in the Library (while supplies last).
