A. Academic freedom is fundamental to education.

A.1 All instruction shall be fair, accurate, objective, and supportive to the age and maturity of the student(s), and sensitive to the community needs and the needs and values of our diverse cultures and heritages. The District acknowledges the need to protect unit members from any censorship or restraint, which interferes with the unit members’ obligation to pursue truth in performance of his/her teaching functions.

A.1.1 A unit member shall have reasonable freedom in classroom presentations and discussions and may introduce political, religious or otherwise controversial material, provided that said material is relevant to the course content and within the scope of the law.

A.1.2 Within the bounds of Board policies and administrative regulations, adopted District curriculum, curriculum prescribed by the State of California and other legal requirements, unit members shall have discretion on their teaching methodologies.

A.2 There shall be support and free discussion of controversial topics relevant to the classroom and the adopted course of study. Good judgment shall be exercised by employees so as to allow equal expression of all sides involved however controversial. Teachers should lead and guide all discussions in an impartial manner and shall not advocate a particular political, religious, or controversial position.

A.3 A unit member shall be entitled to full rights of citizenship, and no religious or political activities, or lack thereof, of any unit member shall be used for purposes of evaluation or disciplinary action unless said activities violate local, state or federal law.

A.4 Employee discipline shall not be used to deny any individual his/her academic freedom rights.
ARTICLE 1: AGREEMENT

1.1 This is an Agreement between the Board of Education of the Newark Unified School District, (“District”) and the Newark Teachers Association/CTA/NEA (“Association”) entered on the date set forth on the signature page.

1.2.1 This Agreement is entered into pursuant to Chapter 10.7, Sections 3540-3549.3 of the California Government Code, known as the Educational Employment Relations Act.
ARTICLE 2: RECOGNITION

2.1 The District recognizes the Association as the exclusive representative for that unit of certificated employees in the following classifications:

2.1.1 All full-time and part-time certificated classroom teachers, resource teachers, teachers on special assignment, counselors, school psychologists, speech clinicians, program specialists, librarians, school nurses, learning center teachers, department chairs, temporaries and substitutes on contract, and adult school teachers.

2.2 This unit shall exclude all other employees of the District as of the ratification date of this Agreement. Among those exclusions are all classified employees, all certificated employees not specifically included above, all confidential employees as designated by the District, and all management employees as designated by the District.

2.3 The District will inform, and upon request, consult with the Association (within the meaning of the last paragraph of section 3.3.2) about the creation of any new certificated classifications in the bargaining unit (i.e., one which is not included in section 2.1.1 above) and will provide the Association with a job description of the position consistent with the foregoing definition of consultation as soon as practical to do so.
ARTICLE 3: ASSOCIATION RIGHTS

3.1 The Association shall have the right to:

3.1.1 Represent employees in the certificated bargaining unit in accordance with state and federal law and have access at reasonable times to areas in which unit members' work.

3.1.2 Use designated institutional bulletin boards, mailboxes, electronic mail, fax machines, the Internet, and the District mail system, pursuant to Board Policy/Administrative Regulation 4040 (see Appendix O), at reasonable times for the posting or transmitting of information or notices. Copies of any bulletin or notice given general distribution to unit members or Association members will also be provided to the principal of the school(s) where distributed and to the Superintendent.

3.1.3 Use, without charge, of instructional facilities and buildings subject to Civic Center Act requirements.

3.1.4 The name, job title, department, work location, site phone extension, home address, personal email address and personal cellular telephone numbers (if on file with the District) of any newly hired employee within 30 days of the date of hire or by the first pay period of the month following hire. The District shall also provide the Association with a list of that information for all employees in the bargaining unit at least every 120 days.

3.1.5 Receive electronic notification of the availability of the agenda and attached materials 72 hours in advance of all regularly scheduled Board meetings and 24 hours prior to any special Board meeting. Receive electronic notification of all Board of Education regularly scheduled meeting dates. Public Board of Education materials not generally distributed shall be available to the Association upon reasonable request.

3.1.6 Designate a local site representative and alternate per Association by-laws. The Association shall notify the District of the designated site representatives by October 1 of each school year. The Association further agrees to notify the District within 15 days of any change in designated representative(s).

3.1.7 The Association shall be provided 20 days of Association Business Leave (ABL) for the president and/or president's designee(s) to conduct the lawful business of the Association. The Association shall be granted a total of 20 additional days of paid leave (ABL) for which the Association (NTA or CTA) shall reimburse the District for the actual cost of providing a substitute at the daily substitute rate or the actual cost whichever is lower. ABL shall be reported through normal District leave reporting procedures. The Association shall provide the District within 30 days of ratification of this Agreement with the name(s) of its officer(s) or agent(s) permitted to utilize or authorize this leave. Association Leave shall be utilized subject to normal District leave request and reporting procedures and upon at least five (5) work days prior notice to the District, except in cases where unforeseen circumstances prevent such notice, in which case, the notice shall be provided as soon as possible.
3.1.8 The right of payroll deduction for payment of organizational dues shall be accorded to the Association. Association membership dues and associated fees, upon formal written request from the Association to the District, shall be increased or decreased without re-solicitation and authorization from unit members.

The District shall deduct from the pay of Association members and pay to the Association the normal and regular monthly Association membership dues/fees as voluntarily authorized in writing by the unit member on an Association approved form subject to the following conditions:

3.1.8.1 Such deductions will be made upon submission to the District by the Association a list of unit members who have duly completed and voluntarily executed the Association approved membership dues deduction authorization form.

3.1.8.2 The District shall not be required to implement any new or changed dues deduction until the pay period commencing 20 days or more after submission.

3.1.8.3 With respect to all sums deducted by the District pursuant to this Article, the District agrees promptly to remit such monies to the Association accompanied by an alphabetical list of unit members for whom such deductions have been made.

3.1.8.4 The Association agrees to furnish any information needed by the District to fulfill the provisions of this Article. The parties agree that membership – adding new members, maintaining current members, or dropping members who complete the process with the Association to do so – is entirely a function of the Association, and no part of this Agreement may interfere with the Association membership process.

3.1.8.5 The Association agrees to pay reasonable legal fees and legal costs incurred by the District in defending against any court action or administrative proceeding challenging the legality or constitutionality of this Article or the implementation thereof, and to pay any judgment or settlement arising out of such action or proceeding: provided that the Association shall have the right to decide and determine whether any such action or proceeding shall or shall not be compromised, resisted, defended, tried or appealed.

3.1.9 On two Mondays per month, Association Executive Board members, designated site representatives and NTA committee chairs shall be allowed to leave their sites at 3:30 p.m. to attend NTA meetings held outside the District.

3.2 Presidential Service Leave

3.2.1 The District annually shall grant Presidential Service Leave (PSL) to the Association President or up to two Association Co-Presidents. Annual PSL
shall not exceed one half (1/2) of one Full Time Equivalent (FTE). If the Association requests more or less than a leave of one half (1/2) of one FTE, whether or not the Association has a President or Co-Presidents, the District and the Association shall mutually agree in writing upon the proportions of leave. Such agreement shall be applicable to one academic year only.

3.2.2 Each year, within ten (10) school days of the certified NTA election results, the Association shall notify the District as to the percentage FTE of PSL the Association will use during the following school year.

3.2.2.1 The District shall notify the Association within thirty (30) days of the Association's request of any difficulties in locating a qualified replacement and the Association shall collaborate with the District to resolve the problem.

3.2.3 Presidential Service Leave shall be with pay. The Association shall reimburse the District the PSL percentage of one Full Time Equivalent (FTE) at the cost of a unit member whose salary is Column 1, Step 1 of the Certificated Salary Schedule plus salary driven costs by June 30th of the current school year.

3.2.4 The person(s) on PSL shall be entitled to participate in health and welfare benefit plans on the same basis as full-time employees and suffer no loss of seniority or retirement credit.

3.2.5 Upon expiration of the period of leave, persons shall be returned from PSL in accordance with Section 11.1.5 below.

3.3 Right to Consult

The Association has the right to consult on the definition of educational objectives, the determination of the content of courses and curriculum to the extent such matters are within the discretion of the District under law.

3.3.1 The District shall give timely written notice to the Association on matters subject to consultation, including those matters listed in section 3.3.2.

3.3.2 Upon request of the Association, the District agrees to consult when the District is contemplating any of the following:

3.3.2.1 a change in the curriculum and/or course content;
3.3.2.2 the selection of textbooks;
3.3.2.3 In-service training or staff development, whether provided on a staff development day or on a shortened day which is dedicated to this purpose:
3.3.2.4 the adoption of a comprehensive student assessment program including the use of technology;
3.3.2.5 a change in elementary preparation period curriculum specializations; and
3.3.2.6 accounting of student instructional minutes.
“Consultation” as used in this Agreement shall be defined as follows: Discussions which provide each party with a meaningful opportunity to materially impact, influence and shape decisions before they are made. This consultation does not limit any of the rights contained in Article 4.

3.3.3 The Association shall be notified by the District of the intention of the District to review, revise, or create any of the above prior to any committee work being started.

3.3.4 The Association shall be consulted on the composition of District committees providing the consultation services listed above. The District will inform the Association of any changes in the committee composition so that the Association may submit suggested replacement members.

3.3.5 The Association shall be provided with a list of all district-level committees and their composition annually, as soon as feasible.

3.4 Site Communication Procedures

3.4.1 The parties agree that two-way communication and discussion of unit members and administrators’ concerns which may arise from time to time over school level policies and procedures is to be encouraged. Each school site shall determine the means and methods by which to accommodate two-way communication and discussion of school level policies and practices contemplated by this article.

3.4.2 The purpose of two-way communications between teachers and site administration is to resolve informally and expeditiously as possible concerns that impact the District’s educational program; the ultimate goal of the forum is program improvement.

3.5 Curriculum Council

Except as stated below, nothing contained herein shall be interpreted as changing past practice with respect to the Curriculum Council.

The parties agree that the Association will appoint three (3) unit members to the Curriculum Council. One of these appointees will come from the elementary schools, one from the junior high school and one from the high school. The parties further agree that the bylaws for the Curriculum Council will reflect these agreements.

3.6 New Employee Orientation

3.6.1 During the beginning of the year new employee orientation, Association representatives are invited and given time within the orientation to address and communicate with new certificated staff.

3.6.2 The Association all receive not less than 10 days’ notice in advance of the foregoing orientation, except that a shorter notice may be provided in a specific instance where there is an urgent need critical to the employer’s operations that was not reasonably foreseeable.
3.6.3 The Association shall be given 60 minutes to address, communicate with, and distribute CTA and NTA related literature of its choice to new certificated staff who are in attendance.

3.6.4 The Association shall have access to available audio-visual equipment for presentation purposes.

3.6.5 Individual/Group Orientations: Orientation sessions may also include individual (one-on-one) new hire meetings with a Human Resources representative and/or group orientation sessions for employees hired during the school year.

3.6.5.1 The District shall give the Association notice as soon as possible following the hiring decision. An Association representative shall be given up to 30 minutes following the onboarding process to conduct an orientation session. If this occurs during the representative’s work day, such time shall be scheduled, if feasible, during the representative’s non-duty/non-instructional time in order to prevent/minimize disruption to normal work operations.

3.6.6 The Association membership packet provided by the Association to the District shall be included in District orientation materials provided to newly hired certificated employees.

3.6.7 As used in this section, all references to certificated employee(s) refer(s) only to those who are included in the bargaining unit represented by the Association (see Article 2).
ARTICLE 4: DISTRICT RIGHTS

4.1 It is understood and agreed that the District retains all of its powers and authority to direct, manage and control the organization to the full extent of the law. Such duties and powers include, but are not limited to the following: to determine its organization; direct the work of its employees; determine the times and hours of operation; determine the type and level of service to be provided and the method and means of providing them; establish its educational policies, goals and objectives; insure the rights and educational opportunities of students; determine staff patterns; determine the number and type of personnel required; maintain the efficiency of District operation; determine the curriculum, build, move or modify facilities; establish budget procedures and determine budgetary allocations; determine the methods of raising revenue; contract out work as legally allowed under the Education and Government Codes; and, take action on any matter in the event of an emergency. In addition, the District retains the right to hire, assign, classify, evaluate, promote, terminate and discipline employees.

4.2 The exercise of the foregoing powers, rights, authority, duties and responsibilities by the District, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with the law.
ARTICLE 5: GRIEVANCE AND ARBITRATION PROCEDURE

5.1 General Provisions

5.1.1 A grievance is defined as a formal written statement by a unit member or the Association alleging that the District has violated a term of this Agreement.

5.1.2 Should the Association’s right to grieve be overturned, the parties agree to meet and negotiate this provision.

5.1.3 A formal grievance shall be initiated in writing on the form produced by the District and approved by the Association, and shall be filed with the immediate supervisor. A copy of the form will be sent to the Association.

5.1.4 The respondent in all cases shall be the District itself rather than any individual. Except at Level 1, the District may be represented by a person of its choice. The filing or pendency of a grievance shall not delay or interfere with the implementation of any District action during the processing thereof.

5.1.5 A "day" is a day in which the central administrative office of the District is open for business.

5.1.6 There shall be days of abeyance during which the grievance timeline will stop if requested by either the grievant or the District. Days of abeyance are the Thanksgiving, Winter and Spring breaks and school holidays; however, summer recess only by mutual agreement.

5.2 Informal Level

Before filing a formal written grievance, the grievant shall attempt to resolve the matter by means of an informal conference with his/her immediate supervisor. The immediate supervisor shall schedule a meeting with the grievant within three (3) days of the request for the meeting.

5.3 Level 1

5.3.1 If the matter is not resolved informally, the grievant may, within 20 days after the occurrence of the act or omission giving rise to the grievance or within 20 days after the grievant could reasonably have known of the act or omission, present his/her grievance in writing to the site administrator.

5.3.2 The written statement shall be a clear, concise statement of the grievance, including the specific provisions of this Agreement alleged to have been violated, the circumstances involved, the date of the informal conference, and the specific remedy sought.

5.3.3 Either party may request a personal conference with the other party. There shall be a conference between the site administrator and the grievant if it is requested. The site administrator shall communicate a decision to the unit member in writing within 10 days after receiving the grievance and such action will terminate Level I.
5.4  Level II

5.4.1 In the event the grievant is not satisfied with the decision at Level I, the grievant may appeal the decision in writing to the Superintendent within 10 days after termination of Level I.

5.4.2 This statement shall include a copy of the original grievance, the decision rendered at Level I, and a clear, concise statement of the reasons for the appeal. Either the grievant or the Superintendent or designee may request a personal conference and a conference shall be held.

5.4.3 The Superintendent or designee shall communicate a decision within 15 days after receiving the appeal and such action will terminate Level II.

5.4.4 If a grievance arises from action or inaction of the District based on a decision at a level above the principal or immediate supervisor, the grievant shall submit such grievance in writing directly to the Superintendent and the Association with the processing of such grievance to commence at Level II. Such submission of the grievance to the Superintendent shall be made within twenty (20) days after the grievant could reasonably have known of the act or omission.

5.5  Arbitration Procedure

5.5.1 If the grievant is not satisfied with the decision at Level II, or the Superintendent or designee has not made a timely response, he/she may, within 10 days after the termination of Level II, request in writing that the Association submit the grievance to binding arbitration.

5.5.2 If the Association desires to arbitrate the grievance, it shall give written notice to the District within 25 days of the termination of Level II.

5.5.2.1 It is expressly understood that the only matters which are subject to binding arbitration are grievances which were processed and handled in accordance with the limitations and procedures of this Article. Processing and discussing the merits of an alleged grievance by the District shall not constitute a waiver by the District of a defense that the dispute is not grievable.

5.5.2.2 At its option, the Association may suggest mediating the grievance at the same time notifying the District that it is submitting the grievance to binding arbitration. If the district agrees, then mediation will proceed during the same time as the arbitration selection process. The parties, mindful of the cost of canceling an arbitration hearing, will proceed as rapidly as possible to secure a mediator to hear the dispute and assist the parties in reaching a mutually acceptable conclusion. It is further agreed and understood by the parties that the initiation of mediation and/or the completion of mediation shall be parallel to the arbitration process and in no way interfere with the arbitration process.
5.5.3 Selection of Arbitrator

5.5.3.1 Following notice to proceed to arbitration and if the District and the Association cannot agree within five (5) days on an individual to serve as arbitrator, they shall request an odd numbered list of experienced individuals from the State Mediation and Conciliation Services, or the American Arbitration Association. The individual shall be selected using the procedures of the agency.

5.5.3.2 Upon mutual agreement of the District and the Association, the arbitration shall proceed under the expedited rules of the American Arbitration Association and the arbitrator shall be notified of the request for expedited arbitration.

5.5.3.3 Without agreement to proceed under expedited arbitration rules; the dispute shall be arbitrated pursuant to the voluntary Labor Arbitration Rules of the American Arbitration Association and the provisions of this Agreement. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted.

5.5.4 Motions to Dismiss

5.5.4.1 If a claim is raised as to the arbitrarily of a grievance as a result of a violation of the terms of this Article, such claim shall be ruled on first by the arbitrator. At its option, and without prejudice, the District may have such a claim heard along with the merits of the case.

5.5.5 Limitations upon the Arbitrator

5.5.5.1 The decision of the arbitrator shall be based solely upon the evidence and arguments presented to him by the respective parties in the presence of each other, and upon arguments presented in briefs. The arbitrator shall have no power to alter, amend, change, add to, or subtract from any of the terms of this Agreement, but shall determine only whether or not there has been a violation of an express term of this Agreement in the respect alleged in the grievance. In determining whether the District has violated an express term of this Agreement, the arbitrator's standards of review shall be limited to whether the District has acted in an arbitrary, capricious, or discriminatory manner.

5.5.5.2 This Agreement constitutes a written agreement under Section 3540.1(h) of the Educational Employment Relations Act, Labor Code Section 1126 and other laws of the State of California. The arbitrator shall not have authority to decide any issue not within the submission, and shall determine the intent of the parties by applying generally accepted rules of contract construction. Past practice may be considered, but
shall not modify clear terms of the agreement. The arbitrator shall be without power or authority to add to, delete from, or modify the terms of this Agreement.

5.5.6 The decision of the arbitrator shall be in writing and be final and binding on the parties and shall be submitted to the Superintendent and the Association.

5.5.7 Expenses

5.5.7.1 Each party shall bear the expenses of the preparation and presentation of its own case; all other fees and expenses of the arbitration proceedings shall be shared equally by the parties.

5.5.8 The parties will work together to schedule hearings and witness participation so as to minimize the impact on the District’s and the Association’s finances, operations and educational services.

5.6 Representation

5.6.1 An individual unit member shall have the right to process his/her grievance without intervention by the Association, provided that the District shall not agree to a resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution, and has been given the opportunity to file a response. The Association shall file its response, if any, within 10 days of receipt of the proposed resolution.

5.7 Group Grievances

5.7.1 Should the Association and the District feel that the significant characteristics of a number of individual grievances are sufficiently alike that it would be in the best interest of time to hear this group of grievances as one, they may mutually agree in writing to do so. In such instances, a group grievance shall be submitted to Level II.

5.8 Reasonable Release Time

5.8.1 Grievance meetings will normally be scheduled by the District so as not to conflict with a unit member's classroom duties. However, if this is not possible, reasonable release time will be provided the grievant, the site representative or another representative of the Association for purposes of processing a grievance.

5.9 Confidentiality

5.9.1 The District and the Association shall be respectful of the privacy of all parties to a grievance and shall process the grievances and all information pertaining to them discretely. However, nothing in this Article shall preclude the District or the Association from truthfully reporting on the parties’ respective positions regarding grievances, the status of grievance proceedings, and the outcome or settlement of grievances.
5.10  **No Reprisal**

5.10.1 There shall be no reprisal against a unit member for filing a grievance or assisting a grievant in the above procedure.

5.11  **Grievance Files**

5.11.1 The District's records dealing exclusively with the filing and processing of a grievance shall be maintained separately from the grievant's personnel file. All records used in this grievance procedure which may have come from personnel files maintained by the District will be returned to those files without indication that they had been used in this grievance procedure.

5.12  **Failure to Meet Time Limits**

5.12.1 If a grievance is not processed by the grievant in accordance with the time limits set forth in this Article, it shall be considered settled on the basis of the decision last made by the District. If the District fails to respond to the grievance in a timely manner at any level, the running of the time limit shall be deemed a denial of the grievance and termination of the level involved, and the grievant may proceed to the next step.

5.12.1.1 Time limits hereunder may be lengthened or shortened in any particular case only by mutual written agreement between the parties or their authorized representatives.

5.12.1.2 The parties will attempt, in good faith, to adjust time limit problems which occur above Level I as a result of the summer recess.
ARTICLE 6: WORK YEAR

6.1 The standard work year for unit members shall be 186 days, comprised of 180-student contact days, three (3) non-student contact teacher workdays, and three (3) Staff Development days.

6.2 For any unit member whose position includes a standard work year more than 186 days, the work year calendar incorporating these additional days shall be established by the supervisor in consultation with the affected employees by the end of the preceding work year. Unit member attendance on all work days is equally mandatory regardless of purpose.

6.2.1 Except as otherwise agreed upon by the parties and the affected employees, the standard work year for Counselors, Lead Teacher, Program Specialists and Psychologists and School Nurse shall be ten (10) days more than the standard work year of the unit members as set forth in section 6.1. (Total 196 work days.)

6.2.2 Speech Therapists and Librarians may be assigned up to ten (10) additional duty days beyond the standard work year as provided for in 6.1 above during each year of this Agreement with additional compensation provided on a per diem basis.

6.2.3 The standard work year for teachers assigned as department chairs and activity director shall be two (2) days more than the standard work year for unit members as set forth in section 6.1 (Total 188 work days.)

6.3 The work year for new unit members shall be the standard work year for unit members set forth in section 6.1 plus one (1) additional day. Any other additional days, for new unit members shall be determined by mutual agreement of the District and the Association and shall be paid per diem.

6.4 By mutual agreement part-time unit members may provide days of service less than those provided herein.

6.5 As used in this section, “calendar” refers to the unit member work year calendar. Calendars shall be implemented in three-year cycles and mutually negotiated in the second year of each cycle subject to the following provisions:

6.5.1 If an agreement cannot be reached by any calendar committee during a three-year cycle, the District and Association agree that this shall terminate the current three-year adoption cycle with the understanding that there will remain one more year under the previous calendar agreement.

6.5.2 All negotiated calendar agreements are submitted to ratification by the NTA Representative Council and the NUSD Board of Education. If ratification is not achieved, the parties agree to meet and negotiation as soon as is practical.

6.5.3 Calendars for each pending cycle shall be negotiated with the understanding that such negotiations shall be concluded by June 1st of the third year in a cycle. If negotiations are not completed by June 1st, then the calendar for the current (third) year shall be adopted for the succeeding year.
6.5.4 If for an emergency reason a site or sites are closed for a day or more and the District would lose Average Daily Attendance (ADA) revenue as a result of the closure, the Association and District agree to the following:

6.5.4.1 The District will make every effort to obtain a waiver from the State in accordance with established procedures.

6.5.4.2 If the waiver request is denied, unit members at the involved site or sites shall, if directed by the District, provide the number of additional days of service which would allow the District to receive 180 A.D.A. revenue generating days for each of the sites involved. Any such additional service shall be without additional compensation.

6.5.4.3 If any additional days are needed, they shall be scheduled by the District only after consultation with the Association.

6.6 Teachers will be free to spend the first workday of the school year in their classrooms except that, if there are no professional development days prior to the first student instructional day, the site administrator may call a mandatory one-hour site meeting which unit members are required to attend.

6.7 Unit members who are required by the District to perform additional duties or attend meetings, trainings or professional activities outside of the standard work year (as defined in sections 6.1 through 6.5) shall be compensated at the per diem rate. Unit members who engage in any of these activities outside of the standard work year (as defined) on a voluntary basis shall be compensated at the hourly rate set forth in section 13.11.
ARTICLE 7: WORK DAY

7.1 The workday shall be structured and directed by the immediate supervisor subject only to the provisions of this Article.

7.1.1 Instructional Day: The instructional day shall be the time prescribed by the District and/or the State of California for the instruction of pupils, as set forth in this Article.

7.1.2 Instructional minutes:

7.1.2.1 The maximum daily amount of pupil instructional time provided by unit members teaching Kindergarten shall not be less than 203 minutes. Kindergarten instructional minutes shall be equal throughout the District and in alignment with the Education Code. Kindergarten dismissal time will be four hours after the start of the student instructional day until the Friday of the week in which the fifteenth instructional day occurs. Thereafter, dismissal will be at the same time as all other students at the school site.

7.1.2.2 The maximum daily amount of pupil instructional time provided by the unit members teaching in grades K through 6 shall be 327 minutes.

7.1.2.3 The maximum daily amount of pupil instructional time provided by unit members teaching in grades 7 through 12 shall be an average of 368 minutes including passing time for the school year.

7.7.8 Principals and TK teachers at each site shall consult on the specific implementation. This consultation does not limit any of the rights contained in Article 4.

7.8 Not more than 25 teaching hours per week will be assigned regular classroom teachers in grades 7-12 except in the alternative programs.

7.9 Effort will be made, as in past years, not to assign more than three (3) class preparations to regular classroom teachers in grade levels 7 through 12 except in the alternative programs.

7.12 Unit members may be required to return to school for academic parent meetings such as Back to School Night, Open House, and Report Card Night. There may be up to two (2) such events per year. Any school(s) in program improvement (or its functional equivalent in any new accountability model) may have one (1) additional event. On the days of these events, unit members may leave the worksite at the end of the pupil instructional day.

7.12.1 Dates for these after school events, insofar as they are known, shall be provided to all affected staff and the Association within the first two weeks of the student instructional year.

7.13 Staff Meetings:

7.13.1 Staff meetings are defined as site-specific general, academic program, department, or grade level meetings. Agendas for staff meetings should be provided at least one workday in advance, absent exigent circumstances.

The Meeting Calendar, which is considered tentative and subject to change, will identify which meetings are mandatory and which are voluntary. Copies of materials provided at voluntary meetings will be available at the site for those who do not attend.

7.14 All duties within the workday, which do not require full faculty participation, shall be equitably distributed among unit members. Distribution of such duties for unit members who work at multiple sites shall be equitable with unit members who work at one site.

7.15 Adjunct Duties: Adjunct duties are non-instructional duties outside of the workday.

7.15.1 Unit member participation on all District and site committees shall be on a voluntary basis and considered adjunct duties.

7.15.2 Any adjunct duties performed by a unit member beyond the contractually specified time, which involve non-classroom supervision of pupils, shall be on a voluntary basis.
7.15.3 By May 1 of the preceding school year, staff at each site and the Association will be provided with a list of anticipated adjunct duties for the ensuing year insofar as they are known at that time, including the estimated time necessary to complete each duty. This list is subject to modification at the beginning of the ensuing school year based on changed circumstances.

7.15.4 Unit members shall not be required to sign up for more than two (2) adjunct duties per year from the list provided in section 7.15.3. If there are insufficient volunteers, then these duties shall be equitably distributed among unit members based upon the estimated time necessary to complete each duty taking into account travel time to and from offsite duties.

7.15.5 Distribution of adjunct duties for unit members who work at multiple sites shall be equitable with unit members who work at one site.

7.15.6 The following unit members shall not be required to perform an adjunct duty: program specialists, school psychologists, and speech language therapists.

7.16.1 Before the first day of school, the District shall provide the Association with actual bell schedules for all sites for the year, including minimum days, and special bell schedules.

7.16.2 If at any time there is to be a change in bell schedule, the District shall inform the Association before the change is implemented.

7.17 If an IEP, SST or 504 plan meeting goes beyond the regular work day (section 7.2), the District will offer a flex work schedule to the unit members. At the beginning of the IEP, SST or 504 plan meeting the Principal or designee will restate the end time of the meeting and stress that the time must be honored. If the IEP extends beyond the regular work day, all unit members who stay beyond the regular work day will be given flex time. The flex time will be tracked by the unit member. To use flex time, a change-in-hour form will need to be filled out. Unit members shall have the discretion of use the flex time at their own convenience with the approval for their site administrator which shall not be unreasonable withheld. Flex time shall only be used during non-instructional time. Administrators and office staff will be trained on the flex time policy. The flex time form shall be included as an appendix to this Agreement. Flex time must be utilized within three (3) months of the date on which it was earned. 8.1.1 Class size in Grades TK-6 and in the alternative programs is defined as the number of students enrolled in a teacher’s classroom as reflected in the current District attendance reporting system.

8.1.2 Class size in Grades 7-12 is defined as the number of students enrolled in an instructional period as reflected in the current District attendance reporting system.

8.1.3 If a student with exceptional needs is mainstreamed into a general education class, the affected unit member may request a conference with the site administrator and appropriate special education case manager to discuss potential impacts on time management and preparation. The District shall make every effort to meet the needs of the student consistent with the IEP.

8.2 The TK-3 grade level class size shall not exceed 26 ("class size limit" or "CSL"), and no class shall exceed 29 ("class size maximum" or "CSM").

8.2.1 The District and the Association agree that the grades TK-3 CSL/CSM provided in section 8.2 above constitutes a "collectively bargained alternative ratio" pursuant to Education Code section 42238.02 which qualifies the District to receive an additional adjustment to the TK/Kindergarten through grade 3 base grant ("Grade Span Adjustment (GSA)" funding) under the Local Control Funding Formula (LCFF).

8.2.2 If state law or regulations are modified in a manner that would cause the District to incur a penalty or loss of TK-3 GSA funding under the LCFF, the parties agree to meet and negotiate immediately over modifications to the "Class Size Alternative Ratio" provided in section 8.2 above so as to prevent any loss of revenue.

8.2.3 Special education, adaptive physical education, and ELD classes shall not be included in computing the District class size average for grade levels TK-3.

8.2.4 As of the seventeenth student attendance day and thereafter, if it becomes necessary to exceed the CSL, a monthly stipend of $150 per student over the CSL shall be provided to the teacher. Elementary prep teachers are exempt from this position.

Special Day Class students, when an instructional aide is also present, shall not be counted in the CSM. The SDC teacher(s), specialist teacher(s), affected grade level teachers, site administrator and one (1) site NTA representative shall meet and confer as necessary to
discuss methods to mitigate the number of such SDC students attending specialist classes at one time.

8.3 At the 4-6-grade level the CSL shall not exceed 31.

8.3.1 As of the seventeenth student attendance day and thereafter, if it becomes necessary to exceed the CSLs set forth in section 8.3 above, a monthly stipend of $150 per student over the CSL shall be provided to the teacher. Elementary prep teachers are exempt from this provision.

8.3.2 In no event shall any grade four (4) through six (6) classes exceed thirty-four (34) pupils (the CSM).

8.3.3 This stipend in section 8.3.1 shall apply to combination classes at grade levels four (4) through six (6), which exceed twenty-nine (29), with a maximum of thirty-one (31).

8.3.4 Elementary P.E. and Science Specialists’ class size shall not exceed thirty-four (34). Special Day Class students, when an instructional aide is also present, shall not be counted in the CSM. The SDC teacher(s), specialist teacher(s), affected grade level teachers, site administrator and one (1) site NTA representative shall meet and confer as necessary to discuss methods to mitigate the number of such SDC students attending specialist classes at one time.

8.4 Grades 7-8 daily student contacts in language arts, modern language, science, math, and social studies

8.4.1 Daily student contacts shall not exceed one hundred fifty five (155).

8.4.3 The District shall make every effort to prevent individual class sizes from exceeding thirty-four (34) students. In addition, the distribution of students will be made as equitably as possible so long as program needs are met.

8.5 Grades 9-12 daily student contacts in language arts, modern language, science, math, and social studies.

8.5.1 Daily student contacts shall be limited to one hundred fifty-five (155).

8.5.2 Maximum daily student contacts shall not exceed one hundred seventy (170).

8.5.3 If it is necessary to exceed the daily student contact limit of 155 as of the seventeenth student attendance day and thereafter, the District shall provide the teacher a stipend of $60.00 per student per month

8.5.4 The District may exceed the maximum daily contacts of 170 when it is necessary to do so only with the mutual written consent of the site administrator and the affected teacher using he form in Appendix P. A stipend of $70.00 per
student per month shall be paid when 170 daily contacts is exceeded as of the seventeenth student attendance day and thereafter.

8.5.5 For the first sixteen student attendance days, the CSM in language arts, modern language, science, math, and social studies shall be thirty-seven (37).

8.5.6 The District will staff at a student-teacher ratio of 35:1 for electives not enumerated in section 8.6 below.

8.5.7 The District shall make every effort to prevent individual class sizes from exceeding thirty-four (34) students. In addition, the distribution of students will be made as equitably as possible so long as program needs are met.

8.6 In grades 7-12, daily student contacts shall not exceed two hundred twenty-five (225) students for the following classes: Physical Education; performance classes such as Vocal/Instrumental Music; Drama; and any class not specified in 8.4 and 8.5. If it is necessary to exceed this limit as of the seventeenth student attendance day and thereafter, the District shall provide the teacher one stipend of $60.00 per student per month.

8.6.1 The District will consult with the Association if it intends to add classes in which maximum participation is encouraged and to which section 8.6 would apply.

8.7 The district agrees to the following targets: Adaptive Physical Education, Speech and Language Pathologists 55:1 (district average); Special Education Day Class (SDC) Teachers 12:1; Resource Specialists (RSP) 28:1; Visual Mobility Instruction 20:1.

8.8 Unit members who wish to exceed these limitations may establish alternate limits with the mutual agreement of the site administrator and the Association.

8.9 If a parcel tax is passed which provides funding to the District that may be used for reducing class sizes, the parties agree to meet to determine how to best use the funds to improve the staff to student ratio(s).
ARTICLE 9: EVALUATION AND SYSTEM OF EDUCATOR SUPPORT

9.1 The primary objective of the evaluation procedure is to assess and improve the educational services being provided to the District's students by unit members and to assist unit members in improving their professional skills in identified areas of needed improvement. While evaluation procedures may, in individual instances, be used in disciplinary/discharge proceedings for evidentiary purposes, such use is not the principle objective of evaluation procedures contained in this Article, and such disciplinary proceedings may be undertaken independently of evaluation procedures.

9.1.1 The District retains sole responsibility for the evaluation and assessment of performance of each unit member, subject only to the procedural requirements of this Article. Accordingly, no grievance arising under this Article shall challenge the substantive judgment of the evaluator or District, and any grievance arising under this Article shall be limited to a claim that the procedures of this Article have been violated.

9.1.2 District administrators shall adhere to the evaluation and assessment guidelines as listed in Education Codes 44662-44664.

9.1.3 Each bargaining unit member shall not have more than one evaluator concurrently.

9.1.4 All bargaining unit member evaluation and observation forms, roles and responsibilities, rubrics, procedures, and processes are attached to this Agreement as the Educator Effectiveness Evaluation (E3) Process and Forms Handbook (see Appendix G) and the Rubric Handbook (see Appendix H). Both parties agree to adhere to these handbooks, understanding that the handbooks and provisions of the program may be revised by the mutual consent of the Association and the District at any time.

9.1.5 The evaluation of unit members shall not include the use of publishers’ norms established by standardized tests (See Ed. Code Section 44662).

9.1.6 The Educator Effectiveness Evaluation processes shall comply with relevant NUSD Board Policies and Administrative Regulations.

9.2 Constraints

9.2.1 Factors which might hinder the achievement of the objective are identified as constraints.

9.2.2 Teaching Conditions

9.2.2.1 Adequate textbooks, reference books, equipment, supplies, materials, storage space and classroom facilities will be considered in the performance of a unit member’s duties.

9.2.2.2 Repairs of equipment and instructional devices shall be made as soon as possible. The District shall provide an adequate replacement for use when available. Availability shall include rental where appropriate.
9.2.2.3 Except in emergencies, repairs and maintenance of classrooms shall be made at a time which will not interfere with the instructional program. However, should the health, safety or welfare of students be endangered, appropriate action shall be taken to correct the problem.

9.2.2.4 The presence or absence of such constraints/conditions shall be taken into consideration by the evaluator.

9.3 Assessment Methods

9.3.1 Methods to be utilized in the assessment of student progress shall be consistent with the stated objectives. Such methods of assessment may include use of state, District, and/or departmental test norms (but not publishers’ norms established by standardized tests (See Ed. Code section 44662)) utilizing pre- and post-testing methods; product output measuring quality and/or quantity; performing output; observation and records; and other techniques.

9.4 A unit member participating in Advisory or Structured Improvement and Review (SIR) shall not be eligible for voluntary transfer or voluntary reassignment while he/she remains in the program.

9.5 All proceedings and materials related to Advisory and Structured Improvement and Review regarding specific unit members shall remain confidential to the extent required by law. Panel Members, Advisors, and participating unit members may disclose information related to evaluation, reports, and other personnel matters only as necessary to administer this Article and its accompanying handbooks. The District reserves the right to use such documents in subsequent disciplinary actions as per contract language.

9.6 Nothing herein shall be interpreted at any time as limiting the authority of the Board to initiate any form of discipline of any unit member participating in Advisory or SIR. Contract language regarding discipline and due process shall apply.

9.7 A unit member may not continue to serve as a Peer Coach or Advisor if appointed to an administrative position. This shall not apply to unit members voluntarily serving as administrative designees.

9.8 Functions performed pursuant to this Article, and accompanying handbooks, by bargaining unit members shall not constitute either management or supervisory functions.

9.9 All actions of the Educator Support Panel shall be approved by reaching consensus.

9.10 The District shall defend, indemnify, and hold harmless the Association, individual Panel Members, Peer Coaches, and any Advisors against any claims, causes of action, damages, grievances, administrative proceedings, or any other litigation arising from the performance of their respective duties under this program.
ARTICLE 10: REASSIGNMENT/TRANSFER

The parties agree to the deletion of Appendix L (Consensus and Collaboration for Reassignment).

The intent of this article is to set forth clear and transparent procedures to be followed when a vacancy exists. Voluntary transfer and reassignment procedures do not apply when no vacancies exist. This means there is no “open bidding process” for positions that have already been filled.

10.1 Definitions

10.1.1 Vacancy

A vacancy is a full-time or part-time certificated position that has not been filled after all positions have been assigned to available staff.

10.1.2 Reassignment

A reassignment is a change within the same work site in grade level in grades preschool-6, or a change in department in grades 7-12. For purposes of this Article, Birch Grove Primary and Birth Grove Intermediate are considered one school site.

10.1.3 Transfer

A transfer is a change of a unit member’s school or work site within the unit member’s credential authorization.

10.2 Priority in Assignment Changes

Except for Administrative Transfers and Reassignments (sections 10.5.5 and 10.7.2) all changes in assignments and transfers shall be prioritized to occur in the following order:

10.2.1 Voluntary reassignment.

10.2.2 Involuntary reassignment or transfer (to include displaced unit members).

10.2.3 Volunteer transfer.

10.2.4 Involuntarily reassigned or transferred unit members (this excludes Administrative Transfers and Reassignments under sections 10.5.5 and 10.7.2) and shall not be involuntarily reassigned or transferred again for a minimum of three school years, except upon mutual agreement between the unit member and the administrator or as may be required to enforce the legal rights of unit members with regard to layoff, displacement and reemployment.

10.3 Vacancies

The District has the exclusive right to determine when and where a vacancy exists.

10.3.1 Posting of Vacancies
10.3.1.1 When a vacancy exists, the District shall announce such vacancy within a site and grade level description for grades preschool through 6, a site and department description for grades 7 through 12 by sending an email to all bargaining unit members.

10.3.1.2 All voluntary transfer/reassignment applicants shall be granted the opportunity to be interviewed before the position is filled.

10.3.1.3 At least five (5) workdays shall be allowed to provide ample opportunity to apply for the vacancy. The timeline will commence on the date of the email. For vacancies which occur between the last school day and July 31, email notices shall open for seven (7) workdays. The timeline will commence on the date of the email.

10.3.2 Criteria for Filling Vacancies

The following criteria shall be reviewed when considering applications for a vacancy:

10.3.2.1 Certification requirements.

10.3.2.2 The qualifications, including the recent job related training of the unit member compared to those of other candidates for both the position to be filled and the position to be vacated.

10.3.2.3 The needs for efficient operation of the District, and the professional needs of the unit member(s).

10.3.2.4 If two or more unit members' interview and are both being considered for the same position and all of the criteria in this section having first been considered and being found equal, a unit member’s length of service with the district will be the determining factor. This paragraph only applies if the final choice is between unit members.

10.4 Voluntary Reassignments

10.4.1 A unit member may apply for any vacant position within their work site pursuant to 10.3 above and such application shall receive consideration.

10.4.2 The filing of an application for reassignment is without prejudice to the unit member.

10.5 Involuntary and Administrative Reassignments

Involuntary reassignments occur when a vacancy at a worksite has not been filled through the voluntary reassignment process. The District also has the right to involuntarily reassign any unit member when the Superintendent or designee determine that such an assignment is in the best interest of the District, subject only to the following sections below, and provided that such reassignment shall not be punitive in nature.
10.5.1 Involuntary reassignments shall be made according to the following criteria. The site administrator shall meet with potentially impacted unit member(s) and the Association site representative to review application of these criteria prior to making a final decision on the involuntary reassignment.

10.5.1.1 Credential requirements

10.5.1.2 The needs for the efficient operation of the District.

10.5.1.3 The professional needs of the unit member.

10.5.1.4 All other criteria deemed equal, unit members with the shortest length of service with the district shall be reassigned. Directly impacted unit members shall be accorded first priority for filling all vacancies that arise for which they have an appropriate credential. When two or more unit members in these cases apply for the same vacancy, the position shall be given to the unit member with the greatest length of service to the district. Nothing in this paragraph is intended to circumvent or modify the laws and regulations pertaining to layoffs.

10.5.1.5 Decisions arrived at pursuant to this section are not subject to the grievance procedure.

10.5.1.6 Notice of reassignment shall be given to unit members as soon as feasible.

10.5.2 If an involuntary reassignment occurs after the beginning of a semester or trimester, the unit member shall be given between three and five days without classroom duties to prepare for the new assignment. In addition the unit member may expend up to $300 through District purchasing procedures for supplemental instructional materials within thirty (30) calendar days following the first date of service in the position to which they were reassigned.

10.5.3 Unit members who are involuntarily reassigned after receiving their tentative assignment and prior to the start of the subsequent school year may expend up to $300 through District purchasing procedures for supplemental instructional materials within thirty (30) calendar days following the first date of service in the position to which they were reassigned.

10.5.4 Administrative Reassignment: Administrative reassignments may be made for just cause for reasons such has conflict among unit members.

10.5.5 Involuntary reassignments caused by changes in enrollment shall not occur later than fifteen (15) workdays into the semester or trimester.

10.6 Voluntary Transfers

10.6.1 A unit member may apply for any position posted pursuant to 10.3 above and such application shall receive consideration. A transfer request shall not be denied arbitrarily, capriciously, or without basis in fact.
10.6.2 Notwithstanding any other provision of this agreement, a unit member who requests a voluntary transfer to a school that is ranked in Deciles 1 to 3 inclusive shall not be transferred to that school if the site principal refuses to accept the transfer.

10.6.3 Notwithstanding any other provision of this agreement, for voluntary transfer requests to any school site submitted after April 15 of the school year prior to the year in which the transfer would become effective, the District may consider and select outside applicants who have applied for such vacancies on the same basis as unit members currently employed by the District.

10.6.4 The filing of an application for transfer is without prejudice to the unit member.

10.6.5 A request for a voluntary transfer (as defined in section 10.1.3) to a vacant position from which a unit member was previously laid off, shall be approved subject to the following sections.

10.6.5.1 Section 10.6.5 shall apply only to requests for voluntary transfers made at the beginning of the year (i.e., prior to the start of the first student attendance day) for the first and second years following reemployment.

APPENDIX J

Newark Unified School District
Clarification of Section 13.2.3
Salary Placement

The following guidelines and examples are provided to clarify the application and meaning of Section 13.2.3 of the collective bargaining agreement which became effective July 1, 2005:

1. This section applies only to unit members who were active employees of the District on July 1, 2005 and thereafter.

2. A retirement is considered a resignation for the purposes of applying this article.

3. Unit members who resigned / retired their positions in the District on or before June 30, 2005 are subject to the provisions of Section 13.2.1 in the event that they are rehired in the District.

4. A unit member will be credited with a full year of experience provided that they have worked at least 75% of the total number of workdays in a given school year.

5. This section shall not be interpreted or applied in any manner that would enable a unit member who retires / resigns from the District to, upon their rehire and with no additional earned experience credit since the date of their separation from the District, be placed on the salary schedule so as to earn a greater salary than that to which they would have been entitled had they not separated from the District.

Example #1
Unit member resigns / retires at the end of the 2005-2006 school year with final schedule placement at Column III, Step 4 and works in private industry or chooses not to work in the 2006-2007 and 2007-2008 school years.
